

# PUBLIC NOTICE

The Baltimore City Department of Public Works is accepting public review and comments for a request to waive<sup>1</sup> Stormwater Management Quantity and Quality Requirements for BGE Project No. WMS 1872468, Canton Phase I Operation Pipeline Program.

Notice is hereby given that the public is invited to comment on the request by the Baltimore Gas and Electric Company, 1699 Leadenhall St, Baltimore, MD 21230 for a waiver of Stormwater Management (SWM) quantity and quality control requirements for the Canton Phase I Operation Pipeline Program Project. Comments on the request for SWM Waivers must be received by 5:00 PM on November 5, 2010, to ensure consideration by the Department.

The Baltimore Gas and Electric Company is proposing to replace the aging existing cast iron and bare steel underground gas main pipelines with polyethylene (plastic) or wrapped steel pipelines in the Canton neighborhood of Baltimore City. The Baltimore Gas and Electric Company is also proposing to encapsulate sections of an existing 20" cast iron main. The limits of this project are Boston St. to the south, Curley St. to the west, Dillon St. to the north and Conkling St. to the east.

In order to meet the 2010 Baltimore City SWM Ordinance requirements for the proposed improvements, waivers for stormwater management water quality and quantity control are requested. The project is a pipeline project which will not create any new impervious surfaces and all disturbed area will be returned to its original condition. Water quantity waivers are requested since the project runoff is captured and conveyed through public storm drain systems into tidal waters.

## Report

A copy of the Construction Plans and Stormwater Management Waiver Request may be obtained by contacting the BGE Project Manager Mr. Drew Westervelt by phone at 410-470-6710 or email at

[Drew.Westervelt@constellation.com](mailto:Drew.Westervelt@constellation.com).

### Waiver Comments or Questions:

Notices regarding future actions on this project will be posted on the website of the Department of Public Works ([http://www.baltimorecity.gov/Government/Agencies Departments/Public Works.aspx](http://www.baltimorecity.gov/Government/Agencies%20Departments/Public%20Works.aspx)).

Questions or comments on the project waivers may be submitted during the review period by mail to Mr. Warren Ware, Baltimore City Department of Public Works (DPW), Bureau of Water and Wastewater, Surface Water Management Division, 3001 Druid Park Drive, Baltimore, MD 21215, or by email to [warren.ware@baltimorecity.gov](mailto:warren.ware@baltimorecity.gov).
